

Emergency Action Plan

- Exit routes for each school building are posted in the specific school.
- Additionally, each school has a copy of the District Crisis Intervention Plan, which is updated annually. This covers what to do in instances such as:
 - Natural Disasters (Tornados, Severe Thunderstorms, Extreme Heat/Cold, etc)
 - Technology Disasters (Fire/Evacuation, Hazardous Material, etc)
 - Civil Disturbances (situations requiring a lockdown of the school)
 - Personal Incidents (death of a student/staff)
