RAVENS GAMING CLUB

AUTHOR: FILIP PAZDYKA

In the gaming club you can play all types of games such as board games, card games and collectable cards. If you are interested in the club, the meetings are every Thursday from 3 to 4. Also, if you want to bring in collectable cards or packs, keep them in your locker until the club starts. You can open your packs in school if you want your friends to see what you pull. The gaming club is located in the steam lab if you want to join it.

On September 8th, the world was shocked to hear that Queen Elizabeth II had died. She died surrounded by family in Balmoral Castle, Scotland. Her body was moved through Scotland and is now resting in Westminster Hall in London where people can mourn. She ruled for 70 years and 214 days, making her England's longest ruling Monarch. Importantly her favorite kind of dog were corgis. At the time that she was the queen she didn't need to have a driver's license to drive. In her lifetime she's served above 15 prime ministers. Her birthplace is now a Cantonese restaurant! She was considered a great leader by many, and her legacy will be remembered for centuries to come. Her coffin now is entombed. As the Queens memorial happened in the morning of the 19th of September. King Charles the III is now the appointed king. May God Save the Queen.
