

Ultra Foods

Dear Parents,

Ultra Foods is inviting you to take part in **Ultra Foods for Education Dollars Plan**, an Educational Rebate Program that generates Cash Back to your school for your educational needs.

It's Easy! Shop your local Ultra Foods Prospect Heights store from **September 8, 2014 through January 25, 2015**, save your register receipts and have your child drop them in the specially marked depository boxes located in your school office.

At the end of the program, your school will submit a grand total of all receipts collected* and Ultra will remit a check for 5% of that total back to your school.

Be an Ultra Smart Shopper... It's a great way to save money and earn extra dollars towards education.

**Excludes any alcohol or tobacco products.*

Thank you for shopping Ultra Food Stores!

Sincerely,

Gerry Schroeder
Store Manager
